

Lingfield United Trust - Safeguarding Policy

The purpose of this Policy is to demonstrate that the charity is capable of dealing quickly and effectively with any concerns about physical, sexual, financial, material, discriminatory or emotional abuse.

Trustees recognise that all forms of abuse are unlawful.

Any allegation of abuse needs to be handled sympathetically and to ensure that the complainant is not in direct contact with the alleged abuser.

The trustees and Clerk of Lingfield United Trust acknowledge that all residents in our Alms houses, and all applicants for and beneficiaries of grants have a right to a safe and secure environment and respect for their dignity, privacy, independence and individuality.

This safeguarding policy has been developed to protect people who live in our Almshouses or apply to the charity for housing or a grant. The Trust undertakes to ensure that concerns about abuse or neglect will be dealt with quickly and effectively.

Residents or applicants should be advised of the name of the designated Trustee who has responsibility for implementing the policy
